

We are delighted to have you here at Turf and we want you to enjoy yourselves. Our priority is to make sure that you and our staff stay safe. And that goes for us too!

We like to think that Turf is run and enjoyed in a relaxed way but we do need a few important rules in place for everyone's benefit.

DO'S

Please email us your email or telephone number and those of people in your group. We are required by law to request these details in the event of tracking and tracing. These details will be held securely and deleted after 21 days.

Respect other people's space and please comply with whatever social distance rules are in place.

There are several sanitize stations available. Please use them.

Respect the distance lines outside the loos. Only 1 person at a time except for families.

Please look after your children.

Keep your dog(s) on lead(s). This may apply to the above!

There are recycle waste bins in the garden. Do help us by using them.

Contactless cards whenever possible. Cash only in an emergency!

DON'T'S

Only food and drink purchased from ourselves may be consumed on the premises. No picnics please!

Move any tables. It is important that they stay in the same position.

No more than 6 people on 1 table.

Over the past few years the shoreline has eroded dramatically. We are rewilding this area so we would be grateful if you refrain from walking or playing on it.

Finally, do speak to ourselves or to a member of our team if you are concerned about anything or have a comment to make.

*Again, wishing you a happy day and stay safe!
The Redfern Family*
